

NEW RE/MAX OFFICE OPENS !

On May 1st a new RE/MAX real estate brokerage opened its doors in Denver. Conveniently located at the junction of highway 73 and Business 16, the new office is named **RE/MAX Integrity**.

Owner Scott Elliott is not new to real estate, having been involved in the business for about 25 years as an attorney and broker in Canada, the UK and the Caribbean. Throughout his career he has earned production and lifetime achievement awards within the RE/MAX network, including the prestigious RE/MAX Hall of Fame. "I offer a unique professional background to my clients and take particular pride in ensuring that each and every transaction is completed in a hassle free and timely manner."

RE/MAX Integrity offers a full range of brokerage services, advising both sellers and buyers of land, homes and condos. His company is also affiliated with another RE/MAX Integrity office in Charlotte. "We're thrilled to be able to serve both areas depending on the needs of the client. We've seen tremendous growth in Charlotte and it is obvious there will be strong growth in Denver in the next 5-10 years, so it is an exciting time to get established in Denver and be a part of it."

Scott, his wife Ruth and their two children relocated to Denver last year after living for 14 years in the Cayman Islands. "People often ask us why we moved from a tropical paradise to come to Denver, but for us, Denver is paradise as well. You've got it all here, great people, thriving economy, and a balanced lifestyle. Denver is a very friendly place and everyone we have met has been eager to assist us."
